## REVIVAL IS OVER

### EVANGELIST BRYAN CALLED TO HELP STATE BOARD HEAD

### Two Weeks' Protracted Meeting Closes At Baptist Church—Splen- did Sermons Were Heard

Revival services at the Stanford Baptist church which have been in progress for a little over two weeks, were brought to a close Thursday night when Rev. O. E. Bryan, state Baptist evangelist, who has been doing the preaching, was called to Louisville to take up his new work as assistant to Dr. W. E. Powell, secretary of the Baptist State Board of Missions. Rev. Bryan was elected to his new duties at a meeting of the board at Louisville Tuesday. Dr. M. D. Early, pastor of the local church, is a member of the board, and attended the meeting at which Rev. Bryan was given his new duties. Dr. Powell is in very poor health and is compelled to undergo a serious operation at once.

Great interest was manifested in the services from the beginning to end, and much regret was felt that Rev. Bryan was called away before the meeting was concluded. He is a man of unusual power in presentation of the Word, and every sermon was delivered in his own peculiar and forceful way. He made many see the old gospel truths in a new light, and at the same time made many warm friends and admirers here, whose best wishes will ever be with him in his great work.

At the close of the services Thursday night, Pastor Early said that he could wish that in some united way all the churches of Stanford could unite to carry on this revival, in some large tent or assembly hall; that he was anxious to see the work go on in Stanford. At the meeting of the Baptist board, the selection of an assistant to Dr. Powell was made necessary by the adoption of the budget plan to distribute the financial contributions to the board.

The Rev. W. L. Brock, of Lexington, was re-elected as Sunday School secretary and Paul Powell, son of Dr. Powell, who was a B. Y. P. U. secretary, of Louisville, was made his assistant. The Rev. N. T. Barnes, of Louisville, was re-elected secretary of the Kentucky B. Y. P. U. and A. E. Wohlbold made office secretary and assistant treasurer.

Additional appropriations were voted Baptist Woman's Missionary Union to enable them to enlarge their sphere of usefulness. The union now has over 1,100 organizations in the state.

Aside from the budget the board has also taken on itself, as part of coming year's program, the study of plans and the raising of between \$300,000 and \$500,000 for the endowment and equipment of the denominational schools and colleges throughout the state.

## RAILWAY BOYS GO UP

Their friends are glad to learn that after being in the service of the Queen & Crescent Railroad Company as brakemen for a number of consecutive years the following have been promoted to the position of conductors: Norman C. Thompson, M. Ledly Phillips and Carl A. Love, who entered service in 1907 and 1908, between Danville, Ky., and Oakdale, Tenn.

## LOSES HAND IN HEMP BREAK.

S. R. Wilder, who bought the McRoberts farm in the Shelby City section, a few years ago, had his right hand amputated Wednesday as a result of getting it caught in a new style hemp breaking machine. Mr. Wilder was working one of the new makes of machines on his farm with his large hemp crop, and in reaching up in to the machine got his hand caught. The machine could not be stopped in time to save the member, and when he was released the member was horribly crushed. Physicians found it necessary to amputate the hand above the wrist. This is Mr. Wilder's second serious accident, he having lost a limb several years ago.

## AGED LADY BREAKS LIMB

Mrs. R. A. Parson, one of the oldest women in the county, sustained a severe accident at her home near Rowland Friday morning when she fell and fractured her left limb. She slipped on the floor of her home and fell in such a way that her left limb between the knee and the thigh was broken. She was given prompt medical attention, but the injury is bound to be a very serious one to Mrs. Parson on account of her age.

## C. O. NEGRO IN JAIL HERE

Tom Fish, a Crab Orchard negro, is in county jail here, on a charge of cutting his wife and his mother-in-law with a knife. His wife, who is in a delicate condition, is said to be severely cut on the side. The affair took place last Saturday night. Fish says that the women were trying to take the knife away from him when they were cut.

## MRS. DAYTON WON MEDAL

A splendid sum was realized at the W. C. T. U. matrons' medal contest at McKinney early in the week. Mrs. Dayton was declared the winner by the judges who were Judge Sam J. Pugh, of Vanceburg, and Misses Fara and Ballard, of the Stanford city school. About \$26 was realized at the door which goes to help the W. C. T. U. work.

## BOOTLEGGING CHARGED

Pattie Engleman, a Danville negress was arrested by Deputy United States Marshal C. L. Winfrey, of Somerset, charged with selling intoxicating liquors without Government license. She will be taken to Catlettsburg for trial.

## Here, There, Everywhere

In local option elections in Massachusetts Tuesday, the drys gained four towns, losing none.

The Monticello High School basketball team defeated Columbia high by a score of 38 to 12.

At Flemingsburg, this week, during a thunderstorm, Miss Loretta Dye, while walking along the street had a piece of glass which she was carrying broken in her hand by a stroke of lightning. Her arm was badly blackened up, but she suffered no injury from it whatever.

## Take "Cascarets" If Headachy, Bilious And Constipated

Best For Liver And Bowels, Bad  
Breath, Bad Colds, Sour  
Stomach

Get a 10-cent box.  
Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. 97-1

## Memorial To Airman

### Caswell Saufley's Classmates to Place Tablet In Capitol.

A dispatch from Frankfort Wednesday said that the Capitol Commission has granted permission to the Class of 1908 of the United States Naval Academy to place in the Capitol building a replica of a memorial tablet which is being installed at Annapolis in the memory of Lieut. Richard Caswell Saufley, of Stanford, who was killed by a fall in his aeroplane off Pensacola, Fla., June 9th, last. Lieut. Saufley stood high in his graduating class from the naval academy and was a great favorite, and it is understood that the members of the class appreciating the high rank he had attained in the U. S. flying service and the world's records he had set, voted to place this memorial to him and his achievements.

## Eb Kennedy's Bad Luck

### Assessor Falls and Breaks Shoulder While Wife Is Also Laid Up

Assessor E. D. Kennedy is certainly having his share of bad luck this fall. With Mrs. Kennedy in the hospital at Danville with a broken limb, Mr. Kennedy is now laid up at his home on Hustonville street with a broken shoulder. While cutting meat on his back porch Wednesday, he took a step backward, missed his footing and went off the porch, striking on his shoulder and breaking his left shoulder. The injury is a very painful one. Physicians set the member and did all in their power, but Mr. Kennedy will be confined to his home for some time.

## Boyle Claims Senator

### But Billy Gooch and Clay Kauffman Are "Mentioned."

District politicians are beginning to pay some attention to the senatorial race which comes off next year, at the same time as the county primaries. The Louisville Times this week said:

Friends of Jay Harlan, the well known lawyer and politician of Danville, are booming him for State Senator in the district composed of Boyle, Lincoln, Garrard and Casey counties, and he is expected to be sure starter in the race. Boyle county claims the right to furnish the nominee for State Senator next time and insists that the rotation agreement between the counties in that senatorial district has long been disregarded so far as Boyle county is concerned. The point is made that it has been twenty years since Boyle county furnished a Senator and he was a Republican, E. C. Linney.

It would appear that the other counties in the Eighteenth senatorial district are not taking the claim of Boyle county seriously, for it is understood that Lincoln county will put forward Representative W. G. Gooch and that Representative H. Clay Kauffman, of Garrard county, will try for the seat in the State Senate. Both served in the last legislature and were lined up with the State Administration. The present State Senator from that district is Charles F. Montgomery, of Casey county. His predecessor was R. L. Hubble, of Lincoln county who served two terms of eight years, and he succeeded George T. Farris, of Garrard county who was also a State Senator for eight years.

## Looks Like a County Judge.

(From Lancaster Record)  
Hon. Thomas A. Rice was mingling with his friends on county court day in Lancaster who came over from Lincoln county. Mr. Rice is an announced candidate for the Democratic nomination for county judge of his county, subject to the next August primary. Judge Rice tells us that he is in the fight to win and to a fellow on the outside it looks good for him at this time. His friends say that he is far in the lead and will probably land the winner next August. We are not advised, however, as to his chances, but we do know that our Democratic neighbors in Lincoln cannot find a better democrat to lead their ticket next year. Tom Rice is not only a true blue democrat but is a gentleman of ability with a wide business experience and is in every way equipped to look after the fiscal affairs of his county. Here's hoping that he may win the goal of his ambition. 97-1

## Martha Circle Entertains

### Delightful Affair at Crab Orchard— East End Items.

Crab Orchard, Dec. 8.

The "Martha Circle" held their first carnival at the Masonic Hall, Saturday evening, Nov. 25th, and a large crowd attended. On both sides of the hall beautiful booths were erected. The first booth to the right beautifully draped in scarlet and green was the fancy work display, where everything in lovely needle work was shown. This work showed skill, patience and taste and was presided over by Miss Myrtle Murray and Mrs. Myrtle Goodwin. Next came the candy and peanut booth, draped in white and red hangings, and contained a most tempting display of delicious home made candies and freshly roasted peanuts. It was presided over by Misses Ethye Geiszl and Mary Siler, with Irene Manuel, Eva Geiszl, Elizabeth Newland and Mary Messer, as helpers and you know it was a sweet booth. Next on the same side of the hall was the well which held in its depths many useful and handsome packages, which were drawn up and presented by Misses Tanna Thompson and Nadine McClure. This was a very popular scheme and many more packages could have been disposed of if they had been there. The well scene was a pretty one. Cedar boughs, palms, ferns and other plants surrounding it, made it a most realistic affair.

Then across the entire end of the hall stood the chocolate and cake booth, presided over by the mother of the circle, Mrs. M. E. Fish, who was beautifully attired in pure white and never looked better. She was assisted by the president of the order, Mrs. Frazier Hurt, Misses Byrd Perkins, Mayme Holman, and Myrtle Jones. This booth was certainly handsome. Over the top were suspended bright stars and immediately under the center was suspended an ornamental circle and in the center in silver letters the word "Martha." Everywhere were natural looking roses, lilies and other flowers suspended and large bunches resting in cut glass vases. The pink, green and white looked very beautiful against a background of pure white. Holly and mistletoe peeped at you everywhere. Here was found the most delicious cake and chocolate and it was liberally patronized and was the handsomest booth of all.

On the left side of the hall was the coffee and sandwich booth draped tastefully in the national colors, with the American flag handsomely draped overhead. Here was to be found the finest coffee, splendid sandwiches, salads, pickles and was gracefully presided over by Mrs. Jamie Carpenter, Misses Jewell Goodwin and John Eva Hilton. It was also liberally patronized.

Next was the weird home of the Fortune Teller. Outside was perched a wise looking owl and other emblems pertaining to the craft. Inside sat a hideous crone who whined at your past meanness, your present badness and your future woe. No one guessed who she was for some time when finally it leaked out that it was our pretty and shy Miss Ellen Moore, who knew so much about the people's doings and gave such wise advice. Good music, good behavior and a liberal patronage amounting to \$45 was what the circle had to thank the public for. Mrs. Allie Pettus assisted by many of the young people furnished the music and special songs by Miss Tanna Thompson made everything pass pleasantly.

Dr. Doores, who has been very low with pneumonia is getting much better. This will be good news to his many friends all over the county, who have been brought back to health by the efforts of this good old doctor, who went far and near to relieve sickness in others, and many were alarmed over his condition. Dr. Edmiston has been attending him faithfully.

Mrs. Manuel has been walking in her room.

Mrs. Price, who was Miss Ila Hunter, is quite sick with typhoid fever at the home of Mrs. Garner Price.

Mrs. J. B. Conn, of Lancaster, who has been with Mrs. Susie Curtis for several days spent Sunday with the family of Mr. Frazier Hurt.

Mesdames J. C. Seeley and J. T. Delaney, of Louisville, Messrs. Maurice Hamm and Harold Shuckert, of Detroit, Mich., visited Mrs. S. L. Cummins, last week, making the trips in Mr. Hamm's Overland car.

Mrs. Claudia Holman and Miss Maymie, returned Monday from a most pleasant visit to relatives in Paris.

Montez Fish went to Louisville

Monday last to be absent several days.

Mr. Billy George Holman is with his brother, Charles, in Paris.

Mrs. L. F. Jones and Porter are with her parents, near London.

Mesdames Caltha and Sallie Newland went to Somerset Wednesday to visit relatives.

Mr. S. L. Cummins, our miller, purchased the Robert Thompson home last week for \$4,200, we are told. This was formerly the D. B. Edmiston property and one of the nicest homes here. The whole town is in sadness over having to give up this excellent family.

Miss Alene Collier brought a little school mate home with her from Mt. Vernon to stay from Saturday until Monday with Mr. and Mrs. R. L. Collier.

Rev. C. E. Wyatt preached splendid sermons Sunday morning and night at the Christian church. The subject of the morning discourse was "Purity of Life," and was ably and plainly handled, but his crowning effort was brotherhood, as it takes in the whole world, which, he so elegantly and beautifully presented at the evening service. Rev. Wyatt has grown better and better since his first sermon at this place, and now as his work for the church here is nearing its close, his grandest sermons are being given us. It is owing to ill health that he leaves Crab Orchard for a warmer climate.

Miss Mary Lucile Burgin returned to Campbellsville Monday, after a pleasant visit to her family and friends during Thanksgiving. She is well pleased with her school there.

Mrs. Maggie Gover and Shirley came over from Lexington to spend Thanksgiving with Wallace and attend to her business interests here.

Mr. Bowen Gover, of Stanford, attended services at the Christian church Sunday evening.

The Ladies Aid of the Baptist church had splendid success at their bazaar last Saturday, something near \$20 being realized.

The Baptist church which has been so long without a pastor has been fortunate to secure the services of Rev. Clere, of Lancaster, who will preach twice a month. He preaches Sunday morning, Dec. 10th, and also that night. Everyone go to hear him for he never fails to interest and edify his audience and the church is to be congratulated upon being able to secure the services of this fine minister and splendid worker.

Mr. John Buchanan, of Louisville, has been with the homefolks here.

We don't believe a better man can be found anywhere for Representative than Mr. Skiles, of our town, who is one of the very best Christian gentlemen to be found, one in whom the whole county can trust with their business affairs, one who has won the respect of all our people by his strict adherence to business and gentlemanly treatment of all classes.

Mrs. J. G. Carpenter, of Stanford, was here Tuesday to see her mother, Mrs. M. E. Fish, who has been quite sick for several days.

Miss Lizzie Carson, who has been in Corbin some time was called home by the death of her sister, Mrs. Brown who lived near Brodhead. She was a splendid woman, loved by all her neighbors and friends and will be sadly missed.

Thanksgiving was the dullest ever known here. We have only heard of one family indulging in turkey and we are told the sum of \$50 was paid for this. Rev. Jasper Livingston delivered an excellent sermon, a union service at the Baptist church and the smallest kind of a crowd was present but autoes were flying; people were hieing to places where grub was immense; while the poor working feller who called on the the seller was informed it took dollars and cents to buy a square meal in Crab Orchard.

## KILLED IN FLORIDA.

Relatives came here Friday to meet the body of Shannon McKinney, brother of W. M. McKinney, of Hustonville, who is said to have been killed in an auto accident at Jacksonville, Fla., Wednesday. The deceased was buried in Stanford. He was about 46 years of age and was survived by his wife, who was a Miss Hocker, and three children. His brothers and sisters are W. M. McKinney, of Hustonville, Mrs. Bettie Owens, of Oklahoma, Mrs. Fannie Smith of Tennessee, Mrs. Kate Dedman of Somerset and George McKinney, of Kansas. He was a member of the large McKinney family connection of the West End. The deceased had been engaged in the hotel business in Florida, it is understood.

## RICE GETS IN RACE

### SECOND CANDIDATE TO RUN FOR COUNTY JUDGE

Writes a Strong Card to the Democrats, Setting Forth Platform He Will Stand Upon.

With the reorganization of the Democratic County Committee out the way, interest in county politics is growing daily, and many candidates are being groomed by their friends. The second candidate to announce for the Democratic nomination for the County Judgeship is out today. He is Tom A. Rice, a prominent Stanford farmer, who made a very creditable race four years ago, and has jumped into the running this time with "both feet" and is getting ready to "go some." He issues a strong card to the democrats of the county setting forth his claims, as follows:

To Democrats of Lincoln County.—I am a candidate for County Judge at the primary election to be held the first Saturday in August, 1917.

I entered the primary in 1913 for this same office, known by only a few, outside of this Magisterial district, against two of the most widely known democrats in the county and was defeated by only a few votes. The experience I gained in that race, the new friends I made and the solid support of my old friends, of which I am assured will return me a winner this time. If my ambition is realized, I shall give the county's business the same careful attention, that I give my private business.

The strictest economy in the expenditure of the county's funds, consistent with efficiency, will be practiced.

The turnpike funds should be used where most needed and where the greatest number of taxpayers will be benefited. I shall make frequent inspection of the pikes and dirt roads.

In view of the high cost of living, I favor paying the men who work the dirt roads one dollar per day of ten hours, and fifty cents for the day they furnish wagon and team. If they make less than this, at their request, and it is unjust to force them to work for the county for less.

I shall insist upon the enforcement of all the laws, all the time by all the officials. Your support will be appreciated. T. A. RICE.

## Mrs. Garman's Father

### Passes Away Thursday Night After Lengthy Illness.

James F. Hill, father of Mrs. E. C. Garman, wife of the well known railway mail clerk, passed away Thursday night about eight o'clock at the home of Mr. and Mrs. Garman, with whom he had made his home for several years. Organic heart trouble with complications was the direct cause of his death, which came peacefully to the aged gentleman, after a long period of declining health. The deceased was 76 years and three months old, having been born in Cumberland county, where in early life he was engaged in carpentering and contracting work. He was a splendid citizen in every way, quiet and unostentatious in his daily life, but with gentle, courteous, of sound business principles, and respected and esteemed by all who knew him. His wife preceded him to the Great Beyond a number of years ago. In addition to Mrs. Garman, Mr. Hill is survived by the following children: E. C. Hill, of St. Louis, J. B. Hill, of Ada, Okla., Mrs. J. T. Mustaine, and Mrs. J. B. Cook, of Horse Cave. He had been a member of the Church of Christ for many years, and was an upright, Christian gentleman. The remains were taken to his former home at Horse Cave Friday, where interment will be Saturday.

## "UNCLE BERRY" FOR SHERIFF.

"Uncle Berry" Howard, formerly of Crab Orchard, was down from Bell county this week, where he is now making his home. "Uncle Berry" is a candidate for the republican nomination for sheriff of Bell county, which is of course equivalent to election in that republican stronghold, and he says he is a sure winner.
